Dear: Sir/Madam

The Friends of Ridge Road (FORR) are pleased to introduce the Ridge Road Youth Program!

The FORR structured program includes building life skills along with providing academic and athletic programs for young men and women. Our target audience is the economically disadvantaged youth from single-family homes, residing in less than favorable conditions and labeled 'at risk'. Our programs enforce a zero tolerance drug free environment, assist in the development of appropriate life skills, and instruct each participant on the value of committing to a healthy and productive lifestyle.

On behalf of more than 200 boys and girls participating in the Ridge Road Youth Program and countless parents and volunteers serving on the Board of Directors, your sponsored donation will enable us to provide the program with equipment, resources, and support necessary to make this a truly positive experience for all.

The Friends of Ridge Road is a nonprofit 501 (c) (3) geared towards raising money for the Ridge Road Youth Program. Your generosity would be instrumental in making this program successful for this year and in the future.

Please make checks payable to the Friends of Ridge Road. Your donations will be fully tax-deductible. We will be more than happy to discuss the positive influence your donation will have on the youth and the community. Your support in any way is welcome.

If you have any questions about the FORR or donations, please feel free to contact Barbara Greene at (202) 213-4586 or blgreene52@comcast.net

Thank you in advance for your interest and support.

Sincerely,

Diane Jenkins, President
Friends of Ridge Road
